Check, Maniac

See I can't take these man dem
Start promoting beef but getting no piece man dem
Ain't even got a mix CD
But got the cheek to send for me man dem
You're not G's man dem just 'cause you talk
Hard in your bars look you're not hard in your heart
Look if you're a bad man be a bad man
If you're a idiot don't take the bad man path
I can't take the grime man dem
And the indirect it's sly man dem
Go to Chip to get noticed
But don't phone me and say hi man dem
It's alright man dem
To the AR fam that's my man dem
See us cool suppose it's all love
But hold on a second, yo

They're only bad with ten man dem
Always chatting 'bout len man dem
End up stuck in the ends man dem
That's dem man dem, see dem man dem

Always chatting 'bout len man dem
End up stuck in the ends man dem
That's dem man dem, that's some sad man dem
'Cause I'm listening to gigs
And thinking they're the bad man dem
Look in the rave wavin' bandannas
But don't wanna buy no shanks man dem
Some joke man dem, broke man dem
Take too tokes and choke man dem
Ask anyone to industries the new road man dem
Units get sold man dem
And the ounces gotta stay cold man dem
But the way they promotin' Ed Hardy on iTunes
Before Ed Hardy was new man dem

To the AR fam that's my man dem
See us cool suppose it's all love
But hold on a second, yo

And everyone's throwing out C's man dem
Come to warm my seat man dem
Facing papers in magazines man dem
Take note of the N-Dubz tune like
You should never mention me man dem
If you can come match the C.V. man dem
You're an employee, I'm a boss
And I ain't even been writing a lot
I'm flying to the top, call me Lyle and Scott

It's alright man dem
To the AR fam that's my man dem
See us cool suppose it's all love
But hold on a second, yo

Always chatting 'bout len man dem
End up stuck in the ends man dem
That's dem man dem, see dem man dem

Always chatting 'bout len man dem
End up stuck in the ends man dem

And that was me back then money boy send 003 man dem

This a new year we goes man dem

A list they time they go man dem

Live across the road for broke man dem
No less than a G for the show man dem

Raise hell spring fire like free buck time
Then you'll rate me man dem in fact forget

Plus I paved the way for dem man dem
All dem in it for the fame man dem
