Not Too Far to Reach

Jake Ward

She's a Show You The World
Kind Of Girl On A Midnight Drive
Under The Texas Sky
Away From The City Lights
Then I Can't Explain
Whats Changed Since
She's Been In My Life
But I've Got a Quicker Step
I'm Getting Aimless
My Heavy Load Feels Light

She Makes The Mountains Not So High
She Makes The Storm Clouds Not So Grey
In The Darkest Night She Makes Me Shine The Light
To Help Me Find My Way
She Makes The Canyons Not So Wide
Makes The River Not So Deep
We'll I Finally Come and See
She's Lying Next To Me
The Stars Are Not Too Far To Reach

Well i Know Women Before
Nothing More Than A Casual Thing
Till One Of Us Would Up And Leave
It Was Usually Me
Then I Never Thought
She Could Melt This Hard Heart Of Mine
We'll I'm Still The Cowboy Kind
She's Found A Softer Side
Somewhere In Those Hazel Eyes

She Makes The Mountains Not So High
She Makes The Storm Clouds Not So Grey
In The Darkest Night She Makes Me Shine The Light
To Help Me Find My Way
She Makes The Canyons Not So Wide
Makes The River Not So Deep
We'll I Finally Come and See
She's Lying Next To Me

The Stars Are Not Too Far To Reach

I N S T R U M E N T A L

She Makes The Mountains Not So High
She Makes The Storm Clouds Not So Grey
In The Darkest Night She Makes Me Shine The Light
To Help Me Find My Way
She Makes The Canyons Not So Wide
Makes The River Not So Deep
We'll I Finally Come and See
She's Lying Next To Me
The Stars Are Not Too Far To Reach

We'll I Finally Come and See
She's Lying Next To Me
The Stars Are Not Too Far To Reach.
