

# Remembering

## Jefre Cantu-Ledesma

I could wait and watch you  
See it all unwind  
I could wait and look at you  
See you change your mind  
Well, even though I'd enjoyed it  
The truth to tell  
Kid, I've got to leave  
Those scenes behind  
Here I go into a new day  
Here I go into a new way  
When you stood in that shady doorway  
You winked your wicked eye  
I looked at you in wide eyed wonder  
Smiled and said hi  
Just like you did woman with  
That groovy guy that just passed by  
Well, even though I adored you the truth to tell  
Kid, I've got to leave those scenes behind  
Here I go into a new day  
Here I go into a new way  
I guess I could call you my woman  
But freedom I need  
So down that road I'll be walking  
Got to have time and space to breathe  
Even though I loved you  
The truth I've got to tell  
I enjoyed every moment  
But kid, you know darned, well, I've got to leave  
Here I go into a new day  
Here I go into a new way
