

# Nowhere Fast

## Incubus

Will I ever get to  
To where it is that I am going?  
Will I ever follow through with what I  
With what I had planned?  
I guess it's possible  
That I have been a bit distracted  
And the directions for me  
Are a lot less in demand, in demand Will I ever get to where I'm going?  
If I do, will I know when I'm there?  
If the wind blew me in the right direction, yeah  
Would I even care? I would I take a look around  
It's evident the scene has changed  
And there are times when I feel improved  
Improved upon the past  
Then there are times when I  
Can't seem to understand it at all  
And yes it seems as though I'm going nowhere  
Really fuckin' fast, nowhere fast Will I ever get to where I'm going?  
If I do, will I know when I'm there?  
If the wind blew me in the right direction, yeah  
Would I even care? I would, I would, I would Will I ever get to where I'm going?  
If I do, will I know when I'm there?  
If the wind blew me in the right direction, yeah  
Would I even care? I would, I would, I would, I would, I would
