Blind Man

Mountain

Hey, you the blind man
Tell me, tell me what to (you?) see
Yeah
Hey, you the blind man
Tell me, tell me what to see
Oh
Nothing, nothing wrong outside
With what you want to see
Oh
I was struck by the blind man
???? (inside)
Yeah yeah yeah
Oh oh oh
I was struck down by the blind man
??? (inside)
Yeah yea yeah
He died completely empty
On a one way suicide
He died completely empty
Oh, In a one way suicide
Hey, you the blind man
You ain't have a magic (petty) bone (?)
Yeah. Yeah yeah
Hey, you the blind man
You ain't have a magic bone (???)
Oh woah
Don't tell me you got trouble
I got trouble of my own
