

Snakes Of Christ

Danzig

Time to run, yeah
Time to hide
Holy war in the land of fire
Never tempt the
Wrath of Gods
Gonna dance in the death of life Take your hand
Enter the world
Just remember you will surely die
Never sell
Evil for lies
Gonna give to you the kiss of life Serpents of your Lord
Crawlin' to the will of God
Serpents of your Lord
Crawlin', all evil Serpent Jesus
Snake of Christ
Nailed to a Cross of holy design
Blood to water
Water to wine
Whip the soul till a mother cries Bring it down, baby
Pierce the side
Start the legend with a funeral rite
Serpent Jesus
Snake of Christ
Gonna build you a world of lies Serpents of the Lord
Crawlin' to the will of God
Serpents of your Lord
Crawlin', all evil Oh yeah
Oh yeah
Oh yeah
Crawlin' Serpent Jesus
Snake of Christ
Nailed to a Cross of holy design
Blood to water
Water to wine
Whip the soul till a mother cries Bring it down, baby
Pierce the side
Start the legend with a funeral rite
Serpent Jesus
Snake of Christ

Gonna build you world of lies
Serpents of your Lord
Crawlin' to the will of God
Serpents of the Lord
Crawlin', all evil
