Caught Out There

Instrumentals

Yo, yo
Yo, this song, yo
This song is for all the women out there
That been lied to by their men
And I know you all been lied to
Over and over again
This is for y'all
Yo, maybe you didn't break the way you shoulda broke, yo
But I break, know what um saying, so
This is how it goes, yo
Psss
Damn
Yo, yoLast year, Valentine's day
You would spoil me and say
"Babe, I love you, love you (Yo, he's lying) and I swear"
Held you when you were sick, even... (sucked yo dick)
The whole time I think to myself, this isn't fairWhat is this I see (No)
You don't come home to me (Oh, no)
When you don't come home to me (Man)
Can't deal, can't bearYou keep tellin' me lies
But to your surprise
Look, I found her red coat
And you're (Bitch) caught out thereI hate you so much right now
I hate you so much right now
Ah
I hate you so much right now
I hate you so much right now
I hate you so much right now
Ahhhhh...
I hate you so much right nowSo sick of your games, I'll set your truck to flames
And watch it blow up, blow up, (ha - ha - ha) tell me
How you gonna see it now
So far from sincere (I love you)
Fabrications in my ear
Drive me so far up the wall
I come slidin' downWhat is this I see (I don't believe this)
You don't come home to me
When you don't come home to me
I can't deal, can't bear (I won't)You keep tellin' me lies

But to your surprise
Look, I hope you're happy
Since you're caught out there(Yeah, you've been caught)
Yo', come on
Come onI hate you so much right now
I hate you so much right now
Ah
I hate you so much right now
I hate you so much right now
I hate you so much right now
Ah
I hate you so much right now(She's so)
Raunchy, so vulgar, not me, why the hell her
Look, she dresses (Look at her)
A mess, what do you see (I don't know)
It's not all about cash (Hell, no)
Not how much you flash
How I dress is a reflection of meWhat is this I see
You don't come home to me (Uh - uh)
When you don't come home to me
Can't deal, can't bear (Told you I won't)You keep tellin' me lies
But to your surprise
Look, I got somethin' for y'all
Since you're caught out thereI hate you so much right now
I hate you so much right now
Ah
I hate you so much right now
I hate you so much right now
I hate you so much right now
Ah
I hate you so much right now
