

I'd Go Crazy

Rafael Cameron

Hoping against all hope
That I can win your love
Say a little prayer statement to the man above
It would be hard to settle for just being a friend
Wish there was some way to make you understand
That Iâ€™d go crazy, if I really canâ€™t have your love
I go crazy, when itâ€™s you Iâ€™m thinking of

Hoping against all hope
That it wonâ€™t be too long
Before I get to hold you in my arms
Iâ€™m praying for the day
As sure as the sun will shine
Iâ€™m praying for the day
When youâ€™ll be mine.

That I go crazy
If I really canâ€™t have your love
That I go crazy
When itâ€™s you Iâ€™m thinking of
Yes itâ€™s you Iâ€™m thinking of

Youâ€™re one of the things for which Iâ€™m looking
Youâ€™re so cool I like your style
But youâ€™re not easy to persuade
Thereâ€™s nothing more that I can say
Except I need your love
Canâ€™t wait another day
I go crazy
I go crazy, woo

Donâ€™t you take me head on
Yeah, baby
I go crazy
When itâ€™s you Iâ€™m thinking of
Yes itâ€™s you Iâ€™m thinking of
