

# Sex Me

## E-Rotic

Set me out of control, I want it now  
'Cause baby, I fall for you anyhow  
Just set me out of control, tonight's the night  
Ill give you my soul, come on hold me tightSex me  
Sex me and set me freeYeah, yeah, life's unfair  
Temptation's almost everywhere  
Just look at me, and look at you  
Let me in, turn me on and well get throughYeah, yeah, do it now  
If not forbidden then allowed  
I'm not your slave, I'm just your man  
And baby, I'm doing all I canSet me out of control, I want it now  
Cause baby, I fall for you anyhow  
Just set me out of control, tonight's the night  
Ill give you my soul, come on hold me tightSex me and set me free  
Sex me and set me freeYeah, yeah, I'm gonna try  
And all your needs I will satisfy  
Your body's wild, your body's hot  
I've got a lot, and I give you all I've gotYeah, yeah, can't you feel  
I'm not just kidding, this is for real  
I'm not your prisoner, not your toy  
And baby, I bring you a lot of joySet me out of control, I want it now  
'Cause baby, I fall for you anyhow  
Just set me out of control, tonight's the night  
Ill give you my soul, come on hold me tightSet me out of control, I want it now  
Cause baby, I fall for you anyhow  
Just set me out of control, tonight's the night  
Ill give you my soul, come on hold me tightSex me and set me free  
Sex me and set me free  
Sex me and set me free  
Sex me and set me freeSet me out of control, I want it now  
Cause baby, I fall for you anyhow  
Just set me out of control, tonight's the night  
Ill give you my soul, come on hold me tightSet me out of control, I want it now  
Cause baby, I fall for you anyhow  
Just set me out of control, tonight's the night  
Ill give you my soul, come on hold me tightSex me and set me free
