

# You and Me (Remastered Version)

Alice Cooper

When I get home from work  
Wanna wrap myself around you  
I wanna take you and squeeze you  
Till the passion starts to rise I wanna take you to heaven  
That would make my day complete  
But you and me ain't no movie stars  
What we are is what we are  
We share a bed, some lovin' and TV, yeah And that's enough for a workin' man  
What I am is what I am  
And I tell you, babe  
Well, that's enough for me Sometimes when you're asleep  
And I'm just starin' at the ceiling  
I wanna reach out and touch you  
But you just go on dreamin' If I could take you to heaven  
That would make my day complete  
'Cause you and me ain't no movie stars  
What we are is what we are  
I tell you sweetheart that's just enough for me You and me ain't no super stars  
What we are is what we are  
We share a bed, popcorn and TV, yeah But that's enough for a workin' man  
What I am is what I am  
And I tell you, babe  
You're just enough for me When I get home from work  
I wanna wrap myself around you  
I like to hold you squeeze you  
Till the passion starts to rise I wanna take you to heaven  
That would make my day complete
