## Junior Boys

I should be in the main theme  
Born to compete, you should know me  
'Cause I'm not a fool, it's the truth for real  
I know how to act all the way that I feel I've been waiting for you  
The things I believe that are almost true  
Once for all you come marching through I could live on a big rig  
Born in the flash of a simple mistake  
Itch like a kid for the right time to steal  
It's over so fast you never know how to feel So I'll hold onto you  
If the things I believe are almost true  
Once for all you wanted me too Come a little closer  
Stare a little longer like competitors do  
'Cause this fight's forever  
If it breaks up there'll be nothing to do  
These things I'll prove I've been waiting for you  
The things I believe are almost true  
Once for all you really wanted me too Come a little closer  
Stare a little longer like competitors do  
'Cause this fight's forever  
If it breaks up there'll be nothing to do Come a little closer  
Stare a little longer like competitors do  
'Cause this fight's forever  
If it breaks up there'll be nothing to do
