

# Lady Stardust (2012 Remastered Version)

## David Bowie

People stared at the makeup on his face  
Laughed at his long black hair, his animal grace  
The boy in the bright blue jeans  
Jumped up on the stage  
And lady stardust sang his songs  
Of darkness and disgrace

And he was alright, the band was altogether  
Yes he was alright, the song went on forever  
And he was awful nice  
Really quite out of sight

And he sang all night long  
Femme fatales emerged from shadows  
To watch this creature fair  
Boys stood upon their chairs  
To make their point of view  
I smiled sadly for a love  
I could not obey  
Lady stardust sang his songs  
Of darkness and dismay

And he was alright, the band was altogether  
Yes he was alright, the song went on forever  
And he was awful nice  
Really quite paradise

And he sang all night long  
All night long  
Oh how I sighed when they asked if I knew his name

And he was alright, the band was altogether  
Yes he was alright, the song went on forever  
And he was awful nice  
Really quite out of sight

He sang all night long
