

I'm Gonna Be

The Proclaimers

I'm gonna be everything I wanna be
So I'm gonna be what I wanna be
And say, I'm gonna be, I'm gonna be
I'm gonna, I'm, I'm gonna be
I'm gonna be everything I wanna be
So I'm gonna be what I wanna be
And say, I'm gonna be, I'm gonna be
I'm gonna, I'm, I'm gonna be
Oh I'm gonna be, I'm gonna be
I'm gonna be, I'm gonna be, I'm gonna be
And when these bitch ass motherfuckers told me that I wasn't gonna be
Everything that I see, I went home and said
I'm gonna be, I'm gonna be, I'm gonna be, I'm, I'm gonna be
Count money that these bitch ass motherfuckers said I wasn't gonna see
Cause I'm gonna be, I'm gonna be, I'm gonna be
Everything I ever dreamed, because I'm a fucking star
Worlds apart, If you want to go it's a wonderful ride
Where there's no limit, no sky, well alright
I'm gonna be everything I wanna be
So I'm gonna be what I wanna be
And say, I'm gonna be, I'm gonna be
I'm gonna, I'm, I'm gonna be

I'm gonna be everything I wanna be
So I'm gonna be what I wanna be
And say, I'm gonna be, I'm gonna be
I'm gonna, I'm, I'm gonna be
Cause that's just how I live
I'm living, living, living, yeah
Living, living, I'm living, yeah
I'm gonna be, I'm gonna be, I'm gonna be
I'm gonna be, I'm gonna be be, I'm gonna be
I'm gonna be, I'm gonna be everything I wanna be
So I'm gonna be what I what I want to be
What they want from me?
What they want from me?
What they want from me, told them that I'm only go be what I be
Everybody wanna call, I'm gonna see
Everything worked for me

I'm gonna be everything I wanna be
So I'm gonna be what I wanna be
And say, I'm gonna be, I'm gonna be
I'm gonna, I'm, I'm gonna be
I'm gonna be everything I wanna be
So I'm gonna be what I wanna be
And say, I'm gonna be, I'm gonna be
I'm gonna, I'm, I'm gonna be
