

# On a Day Like Today

[Bryan Adams](#)

Free is all you gotta be  
Dream dreams no one else can see  
Sometimes you wanna run away  
But you never know what might be comin' round your way  
Yeah yeah yeah'Coz on a day like today, the whole world could change  
The sun's gonna shine, shine through the rain  
On a day like today  
You never wanna see the sun go down  
You never wanna see the sun go down Somewhere there's a place for you  
I know that you believe it too  
Sometimes if you wanna get away  
All you gotta know is what we got is here to stay  
All the way On a day like today, the whole world could change  
The sun's gonna shine, shine through the rain  
On a day like today, no one complains  
Free to be pure, free to be sane  
On a day like today  
You never wanna see the sun go down  
You never wanna see the sun go down Yeah free is all we gotta be  
Dream dreams no one else can see  
But you never know what might be comin' for you and me  
Ya, it's gonna be On a day like today, the whole world could change  
Yeah the sun's gonna shine, shine through the rain  
On a day like today, no one complains  
Oh free to be pure, free to be sane  
On a day like today  
You never wanna see the sun go down  
You never wanna see the sun go down
