Listen

Toad the Wet Sprocket

Well, I wonder do we learn
Seems we're making the same wrong turn
Call you sacred, call you obscene
Call you faithless, call you anythingCall and you listenListen, listen, listenI'm a liar so it seems
My desire justify a thing
So is there nothing lies in between
This cold silence and a screamScreamListen, listen, listenCaught in headlights, we are frozen
Can hide there's no break
No time if you can
I might listenCall and you listenListen, listen, listen
