

O Come, O Come, Emmanuel

Sugarland

O come, o come, Emmanuel
And ransom captive Israel
That mourns in lonely exile here
Until the Son of God appears Rejoice, rejoice
Emmanuel shall come to thee, o Israel (repeat) O come Thou key of David, come
And open wide our Heavenly home
Make safe the way that leads to Thee
And close the path to misery Rejoice, rejoice
Emmanuel shall come to thee, o Israel (repeat) O come, desire of nations bind
(O come, o come, Emmanuel)
All peoples in one heart and mind
(And ransom captive Israel) Bid Thou our sad divisions cease
(O Israel)
And be Thyself our King of peace Rejoice, rejoice
Emmanuel shall come to thee, o Israel
Rejoice, rejoice
Emmanuel shall come to thee, o Israel Emmanuel
Emmanuel
Emmanuel
