I, I feel like I'm losing my mind, mind
She crept into your life, life
And cut me up like a knife, knife, yeah

Still got my dignity, ay
No one'll love you like me, eShe's prettier than I'll ever be
Got yourself a beauty queen, yeah
But there's one thing I gotta say
She can love you good, but I can love you better-etter-
etter-etter-etter-etter, ay
But I can love you better-etter-
etter-etter-etter-etter,
She can love you good, but I can love youMy way, remember screaming my name, ame
'Cause I can sex your brain, ain
But she don't do it that way, ay, noShe's prettier than I'll ever be
Got yourself a beauty queen, yeah
But there's one thing I gotta say
She can love you good, but I can love you better-etter-
etter-etter-etter-etter, ay
better-etter-etter-etter-etter-etter, ay
But I can love you better-etter-
etter-etter-etter-etter, ay
She can love you good, but I can love you betterI know she's perfect and worth it,
oh yeah, she's beautiful
But can she love you and touch you until you go, whoa
You keep on tryin' to hide it
But we both know, owShe can love you good, but I can love you better[Dubstep break]She can love you good,

oh yeah, she's beautiful
But can she love you and touch you until you go, whoa
You keep on tryin' to hide it
