

# Pure Narcotic

## Porcupine Tree

You keep me waiting  
You keep me alone in a room full of friends  
You keep me hating  
You keep me listening to the Bends No amount of pointless days  
Can make this go away You have me on my knees  
You have me listless and deranged  
You have me in your pocket  
You have me distant and estranged No narcotics in my brain  
Can make this go away I'm sorry that, I'm sorry that I'm not like you  
I worry that I don't act the way you'd want me to You find me wanting  
You find me bloodless but inspired  
You find me out  
You find me hallucinating fire No narcotics in my brain  
Can make this go away Have we ever been here before?  
Running headlong at the floor  
Leave me dreaming on a railway track  
Wrap me up and send me back
