Lee Flyce

Gravity Feed

Yo, come around that corner
Watch out for Lee Flyce
Heâ€™s got those flowers on his shirt, yea
But he may not be so nice
Flips his hair back with a smile
Then heâ€™ll kick you in your teeth
Well Lee Flyce is comin at ya
Better hide back underneath

He has not time for questions
Answers out before you ask
And the chore of moving mountains
Is to him a simple task
He keeps a solid reputation
Puzzled status of disguise
Some advice and a suggestion
Keep two eyes out for Lee Flyce
