

# Say a Prayer (Remix)

## Breathe

Sweet sugar pumping through my veins  
Every [Incomprehensible] is on a wire  
Sweet sugar, you say, it's just a game  
Soon to be your one desire  
When the Devil holds your hand  
Then you know he's in command of temptation  
Like the beauty of a rose  
Or a summer that will go with salvation  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
Sweet sugar, your world just tumbles down  
How you hunger for illusion  
Sweet sugar, will take more than you own  
All you have is your confusion  
You'll be standing in the rain  
You'll be crying out in shame for mercy  
So, you turn to every man  
Say you need a helping hand, don't desert me  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
I don't know what I've done with my life  
I don't want to think of all this wasted time  
I was in search of Paradise  
Yet this seems a heavy price to pay  
Say a little prayer, say a little prayer for me  
Won't you say a prayer?  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me  
Say a little prayer, say a little prayer for me
