

1 Mo Time

Plies

I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time? I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time? I know I fucked up and sorry aint what you wanna hear
But I cant change that shit, dawg, it is what it is
And you can go fuck another nigga if thats how you feel
If thats gon make you feel better then go on and do it, hell You asked me bout the lil panties shit and I kept it real
Know that shit probably hard for you to swallow still
And I aint know how bad I hurt you til I seen your tears
And I aint askin you to accept how a nigga live You feel another nigga could treat better then thats what it is
But let the truth be told, been my pussy for years
Now you got all your lil homegirls all up in your ear
Just lets fuck 1 mo time before you dip I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time? I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time? I know its probably best for us to go our separate ways
Cause I know me, Ima fuck up again anyway
But in my motherfuckin heart nigga want you to stay
Cause once you fuck up this shit could never be straight Im dead ass wrong, thats why aint got shit to say
I know you think a nigga aint give a fuck anyway
I just had to fuck you good the other day
And how that pussy was bitin, shit, I aint wanna escape You rode that dick so long until you started to shake
And I could tell when you was nuttin, see it in your face
Ima miss fuckin you from the back and how I grab your waist
And most of all Ima miss how that pussy taste I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time? I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time? It aint another nigga who gon fuck you like I do
You talk that shit all you want but, babe, you know its true
I fucked up, I said Im sorry, now its on you

Can play stupid and give me away if you want to
You say fuck it, its over then I guess we through
I know if I caught you cheatin I probably cut you loose
Dont get it fucked up, aint tryna tell you what to do
Whatever decision you make, I gotta live with it
Whatever your answer is just make sure you can deal with it
But if we do break up, Ima keep tryin to get it
This shit we goin through right now is real silly
Cuss me out and lets fuck, baby, and go on, kill it
I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time?
I know you caught me cheatin and you tired of me lyin
Ima be honest with you, baby, I know I crossed the line
You wanna fuck with me no more, then cool, its fine
Before you go, baby, can we fuck 1 mo time?
