Another year, same haters, usual suspects  
Worried 'bout another nigga, I swear that shit is suspect  
Keyser Soze, sold the yay' and I got away  
Hit the club dead-ass fresh in case I die today

I don't remember her name, but I remember how her pussy taste  
I go long, so long, she love the way that I put it down  
Gotcha going in circles, all you gotta do is look around  
I'm Mr. Right and she Miss. Tonight, pussy so nice gotta kiss it twice  
Pussy so tight my tongue is stuck, my tongue get stuck like licking ice  
Hoes call me QB, I throw that dick too deep  
I told her she's the preachers wife, she said: "practice what you preach" She said: "ah me so horny, he love me  
long time"  
I say: "how 'bout 69â€³, she say: "numbers don't lie"  
I say: "true you ain't never told no lie, you ain't never told no lie"  
And you know they say love is blind, so close your eyes  
Tunechi  
Hey girl you say you like it deep, hail Mary, hail Mary  
Hey girl you know the play, hail Mary, hail Mary  
Tonight we going long, yeeeahhh, we be going long  
Hey huddle up, huddle up, hail Mary, yeah!  
I ain't tryna pump, tryna pump, hail Mary  
Tonight we going long, we be going long, hail Mary
