

Cut Me Off

Perfect Stranger

You know I love to drink my share of whiskey, beer and wine

But lately I've had one too many, one too many times

So bartender, I've been thinkin' up a drinkin' resolution

I've thought about it long and hard and here is my solutionCut me off at one tonight that's gonna be my limit

Help me look out for my elbow and watch how much I bend it

I can't stay out all night no more, I gotta get home early

So cut me off at one tonight or about one thirtyIf they held a honky tonk marathon, I know I'd win the prize

'Cause every night when I crawl home the sun gets in my eyes

But tonight its gonna be different, yeah, I'm finally cuttin' down

In fact I feel so good, I think I'll buy another roundSo cut me off at two tonight that's gonna be my limit

Help me look out for my elbow and watch how much I bend it

I can't stay out all night no more, I gotta get home early

So cut me off at two tonight or about two thirtyWell, there's more to life than fun

And games and it's high time that I learn

There's times you gotta sacrifice

And I guess that it's my turnSo cut me off at three tonight that's gonna be my limit

Help me look out for my elbow and watch how much I bend it

I can't stay out all night no more, I gotta get home early

So cut me off at three tonight or about three thirtyYeah, cut me off at three tonight

Or about three thirty, yeah
