The Sinner

Isaac Delusion

What is wrong baby
What is wrong with me?
Am I another fool in your arms
With shades hanging on my back?You gave me your love
You gave me more than anyone ever gives
And all I got for you is a dark space in my heart
Full of secrets and liesCause I'm a sinner...
In the garden of your love
Where there's no one else to blame but myself
Seven angels came to me last night
To sing me a song of tears and of pain
But I forgot the name...
My weakness
Is a woman
Who got me on my knees at night
When you were sleeping
I'm not that strong baby
You thought I was a faithful man
I'm just a liar when comes the night
And I'm washing my hands when the sun is risingBut I'm washing my hands when the sun is rising
Yes I do
Am I just another fool in your arms
With shades hanging on my back?
Mmh...You gave me your love
Baby
And all I got for you is a dark space in my heart
Full of secret and lies...
Cause I'm a sinner
In the garden of your love
Where there's no one else to blame but myself
Seven angels came to me last night
To sing me a song of tears and of pain
But I forgot the name...My weakness
Is a woman
Who got me on my knees at night
When you were sleeping
I'm not that strong baby
You thought I was a faithful man
I'm just a liar when comes the night

And I'm washing my hands when the sun is rising...
And I'm washing my hands when the sun is rising...Ouh
But I'm washing my hands when the sun is rising...
Ouh
But I'm washing my hands when the sun is rising...
Mmh
