

Believe (Francis Mercier & 1WayTKT)

Mumford & Sons

You may call it in this evening
But you've only lost the night
Present all your pretty feelings
May they comfort you tonight
And I'm climbing over something
And I'm running through these walls I don't even know if I believe
I don't even know if I believe
I don't even know if I believe
Everything you're trying to say to me I had the strangest feeling
Your world's not all it seems
So tired of misconceiving
What else this could've been I don't even know if I believe
I don't even know if I believe
I don't even know if I believe
Everything you're trying to say to me So open up my eyes
Tell me I'm alive
This is never gonna go our way
If I'm gonna have to guess what's on your mind Say something, say something
Something like you love me
Less you want to move away
From the noise of this place Well I don't even know if I believe
I don't even know if I believe
I don't even know if I wanna believe
Everything you're trying to say to me So open up my eyes
Tell me I'm alive
This is never gonna go our way
If I'm gonna have to guess what's on your mind So open up my eyes
Tell me I'm alive
This is never gonna go our way
If I'm gonna have to guess what's on your mind
