

Killer Mc (Interlude)

Wyclef Jean

Hello, boys and girls
Welcome to Wyclef Words of Wisdom
I am here with an m.c. that
everyone is scared of
He has killed over a million
people on record and he's still
not locked up
Am, what is your name sir? Nuhmsayin? Um
Yeah, basically, if you have
killed so many people why ain't
you locked up?
I'm sayin' though likenuhmsayin?
Yeah, exactly my point
Don't believe the hype
