

Only Love Can Break a Heart (LP Version)

Dionne Warwick

Only love can break a heart
Only love can mend it againLast night I hurt you
But darling remember thisOnly love can break a heart
Only love can mend it againYou know I'm sorry
I'll prove it with just one kissOnly love can break a heart
Only love can mend it againGive me a chance to make up
For the harm I've done
Try to forgive me and let's keep
The two of us onePlease let me hold you
And love you for always and alwaysOnly love can break a heart
Only love can mend it again
Only love can break a heart
Only love can mend it again
