The Rolling People

The Verve

Big short got
I got one more life
Can you see it wastin' away?
But I got a plan
And do you understand?
With the drugstore wife
I was stealing soul and bit of other white
I won't don't shake no hands
Aah, 'cuz death has no plans
But here we are the rollin' people
Can't stay for long
We gotta go
So come alive with the rollin' people
Don't ask, why?
We just know
I'm on a big jet plane
With my briefcase and crime in my veins
I'll be the first to toast
Yea, to my rowdy soul
But here we are the rollin' people
Don't ask, why?
We don't know
So come alive with the rollin' people
Don't ask, why?
We just know now, yea
Don't even know which way I'm going to
The lights are on and I am feeling blue
I hope you know which way I'm goin' to fly
Thank you for my life, I said, "Good night, goodbye"
You see me going
But here we are the rollin' people

Can't stay for long
We gotta go
So come alive with the rollin' people
Don't ask, why?
We don't know now, yea
Pap, pap, pera, pap, pap, pere, rerara
Pap, pap, pera, pap, pap, pere, rerara

Pap, pap, pera, pap, pap, pare, rerara
Pap, pap, pera, pap, pap, pare, rerara
Oh yea, oh yea, oh yea, ohh
Aah, you know, how?
[incomprehensible] yea
Ooh yea
Its a lil' about past, I can see my past, yea
Its just a lil' about past
Aah, its just a lil' about past
I'm gonna to take you home now I
I'm gonna to take you home now I
I'm gonna to take you home now I
I'm gonna to take you home now I
I'm gonna to take you home now, now I
We're gonna to take you home now, now
We're gonna to take you home now, now, now
We're gonna to take you home now, now, now
We're gonna to take you home now
We're gonna to take you home now
We're gonna to take you home now
We're gonna to take you home now
We're gonna to take you home now
We're gonna to take you home now
We're gonna to take you home now
Woh, woo
Woh, woo
Woh, woo
...
