Cityview

As you fell, to the earth
did you life flash right before your eyes
I'm sure it did
did you make a movie for your money
Air so thin
Did you fail at first but try again
And I don't think that I could

Chorus:
You're falling at the speed of sound
You're falling till you hit the ground
I'd take it, but I just wouldn't survive
So what, you can try again
so what, here's your second chance

When you fell down
City lights filled your eyes
You didn't know it
You didn't know it
And you passed out before you had a chance to cry
And the fear of death can catch you by surprise

Chorus:
You're falling at the speed of sound
You're falling till you hit the ground
I'd take it, but I just wouldn't survive
So what, you can try again
so what, here's your second chance

So what?
So what?

Take these chains
That bind me to the ground
Take these chains
That bind me

Chorus:
You're falling at the speed of sound
You're falling till you hit the ground

I'd take it, but I just wouldn't survive

(So what) You're falling at the speed of sound
(So what) You're falling till you hit the ground
(So what) I'd take it, but I just wouldn't survive
