

Strange Kind of Woman (A-Side Remix '96)

Deep Purple

There once was a woman
A strange kind of woman
The kind that gets written down in history Her name was Nancy
Her face was nothing fancy
She left a trail of happiness and misery I loved her
Everybody loved her
She loved everyone and gave them good return I tried to take her
I even tried to break her
She said, "I ain't for takin' won't you ever learn" I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman She looked like a raver
But I could never please her
On Wednesday mornings boy, you can't go far I couldn't get her
But things got better, she said
"Saturday nights from now on baby, you're my star" I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman She's my soul, I love you I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman She finally said she loved me
I wed her in a hurry
No more callers and I glowed with pride I'm dreaming
I feel like screaming
I won my woman just before she died I want you, I need you, I got to be near you
I spent my money as I took my turn
I want you, I need you, I got to be near you
Ooh, I got a strange kind of woman Who do you think you are?
Superstar
Who do you think you are?
Superstar
Superstar
Who do we think we are?
Oh my soul, I love you baby
