Ropes

audiobytes for autobots

How much can we take before we care to settle?
Thought we were set for a perfect scene
Everyone is waiting for a failure
Something I can't please and justify
The void within my eyes
Everyone is waiting for something they cannot haveWhy don't you drop your guard
I'm on my knees
You got the mindset of a killer
And it will not take you far
If I had the answer would that make you stay?
This is the time and place it is your moment of fateIf this would be your last breath
Would it change a thing?
Dive head first into the fireIf you just let me I'll find a way
To ease your mind and for you to stay
And I will untie your only ropes
It's hard for me but believe me, I'm tryingWhat are you longing for?
What are you longing for?
What are you longing for?If I had the answer
Would that make you stay
This is the time and place
You are waiting for something you cannot haveIf this would be your last breath
Would it change a thing?
Dive head first into the fireIf you just let me I'll find a way
To ease your mind and for you to stay
And I will untie your only ropes
It's hard for meIf you just let me I'll find a way
To ease your mind and for you to stay
And I will untie your only ropes
It's hard for me, believe me, I'm trying
