

# Afloat

## Riverside

Dream on, my pain  
My scar  
My blame  
You've been a part of me  
Unless and until Dreamt by the night  
Under your skin  
I run through the wind  
Unless and until  
Dream on, my pain  
My scar  
My thorn  
You've been a part of me  
Let me stay afloat
