

Willow Weep for Me

Billie Holiday

Ann ronell Willow weep for me
Willow weep for me
Bent your branches down along the ground and cover me
Listen to my plea
Hear me willow and weep for me
Gone my lovely dreams
Lovely summer dreams
Gone and left me here
To wheep my tears along the stream
Sad as I can be
Hear me willow and weep for me
Whisper to the wind and say thay love has sinned
To leave my heart a sign
And crying alone
Murmur to the night
Hide her starry light
So none will find me sighing
Crying all alone
Wheeping willow tree
Wheeping sympathy
Bent your branches down along the ground and cover me
Listen to me plee
Hear me willow and weep for me
Willow
Willow
Wheep for me
