

Future of Mankind

Judas Priest

The final quatrain sealed
This one reveals my fate
And so my friends' farewell
I can no longer wait
My prophecies remain
They live when I am goneThe wisdom of the wise
Eternally endure
My legacy survives
So you can rest assured
The secret treasure's here
Make of them what you willI see you
I feel you
I hear you
As my life evolvesThese visions of the world
Created in my mind
I made them all begin
The future of mankind
Reveals what must be done
To manifest through timeI'll cross the Rubicon
Into infinity
My quest has now been won
I've found my destiny
The darkness brings me home
Rewarding me with peaceI see you
I feel you
I hear you
As my life evolvesThese visions of the world
Created in my mind
I made them all begin
The future of mankind
Reveals what must be done
To manifest through timeNow everything shall pass
We all know that it must
For nothing ever lasts
We all return to dust
I beg you not to mourn
As I will never dieI see you
I feel you
I hear you

As my life dissolves These visions of the world
Created in my mind
I made them all begin
The future of mankind
Reveals what must be done
To manifest through time Je suis au bout de ma vie
Ma tache est finie
Je passe de ce monde a un autre
Mes premonitions survivront Prenez garde a mes paroles
Car ce qu'elles adviendront
Le patrimoine que j'ai laisse
L'avenir de l'humanite
