## **Future of Mankind**

## **Judas Priest**

The final quatrain sealed

This one reveals my fate

And so my friends' farewell

I can no longer wait

My prophecies remain

They live when I am goneThe wisdom of the wise

Eternally endure

My legacy survives

So you can rest assured

The secret treasure's here

Make of them what you willI see you

I feel you

I hear you

As my life evolves These visions of the world

Created in my mind

I made them all begin

The future of mankind

Reveals what must be done

To manifest through timeI'll cross the Rubicon

Into infinity

My quest has now been won

I've found my destiny

The darkness brings me home

Rewarding me with peaceI see you

I feel you

I hear you

As my life evolves These visions of the world

Created in my mind

I made them all begin

The future of mankind

Reveals what must be done

To manifest through timeNow everything shall pass

We all know that it must

For nothing ever lasts

We all return to dust

I beg you not to mourn

As I will never dieI see you

I feel you

I hear you

As my life dissolves These visions of the world

Created in my mind

I made them all begin

The future of mankind

Reveals what must be done

To manifest through timeJe suis au bout de ma vie

Ma tache est finie

Je passe de ce monde a un autre

Mes premonitions survivront Prenez garde a mes paroles

Car ce qu'elles adviendront

Le patrimoine que j'ai laisse

L'avenir de l'humanite
