Walking

Steve Grand

Caught up in the lights
Cameras in my face
Where did we go wrong
Why'd you walk awayI know I let you down
Promised I would change
Ain't so simple now
What else can I say?I'm down
On my knees
I'm trying but I'm bound
By these thingsSometimes at night I go walking
Tracing the streets of this town
Baby dont't cry we're just talking
Now you got me wondering, how
How you could kiss me
How you could hold me
Even with all you've come to know about me
How could you love me
How could you love me
YeahWhy'd you slam the door?
Just let me explain
Get you ass inside!
Come out from the rain
I gave to you my youth
Put a price on that
How can I show you
I'd never take it backI know
I've messed up
I'm begging you don't go
Giving up
Sometimes at night I go walking
Tracing the streets of this town
Baby don't cry we're just talking
Now you got me wondering, how
How you could kiss me
How you could hold me
Even with all you've come to know about me
How could you love me
How could you love me
Yeah

How could you love me
How could you love meSo when I close my eyes tonight
I got to know you're by my side
Sometimes at nigth I go walking
Tracing the streets of this town
Baby don't cry we're just talking
Now you got me wondering, howHow you could kiss me
How you could hold me
Even with all you've come to know about me
How could you love me
How could you love me
YeahHow could you love me
How could you love me
How could you love me
