

White Silver Sands

Hank Snow

Where the deep blue pearly waters
Wash upon white silver sands
Where on the brink of love I kissed her
And obeyed my heart's commandWhere the deep blue pearly waters
Wash upon white silver sands
We watched the sunset in the evening
In a far and distant landOh, here beneath God's blue heaven
There's a place I must go
Where the sunset in the evening
Is the only love I knowWhere the deep blue pearly waters
Wash upon white silver sands
Where on the brink of love I kissed her
And obeyed my heart's commandWe watched the sunset in the evening
Saw the moon yellow and pale
Watched the gaucho ride the pinto
Out across the pampas trailWhere the deep blue pearly waters
Wash upon white silver sands
Where on the brink of love I kissed her
And obeyed my heart's command
