

# Everybody Hurts

Avril Lavigne

Don't know, Don't know if I can do this on my own  
Why do you have to leave, me  
It seems, I'm losing something deep inside of me  
Hold on, onto me

Now I see  
Now I see

Chorus:  
Everybody hurts some days  
Its okay to be afraid  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And its okay  
La di da di da  
Its okay

It feels like nothing really matters anymore  
When you're gone  
I can't breathe  
And I know you never meant to make me feel this way  
This can't be happening on me

Now I see (now I see)  
Now I see

Everybody hurts somedays  
Its okay to be afraid  
Everybody hurts

Everybody screams  
Everybody feels this way  
And its okay  
La da la da la  
Its okay  
La la la la la

So many questions so much on my mind  
So many answers I can't find

I wish I could turn back the time  
I want to...

Everybody hurts some days (some days)  
Everybody hurts some days (some days)  
Everybody hurts some days (some days)  
Its okay to be afraid (afraid)

Everybody hurts someday  
Its okay to be afraid  
Everybody hurts  
Everybody screams  
Everybody feels this way  
And its okay  
La da la da la  
Its okay  
La la la la la
