

Turning Up

James Reid

Be careless, be careless I'm turnin' up
On top of my city
I've rocked that crown
I'm burnin' up, so lit
All the ladies, they love my sound
I earned this cut
I know you want in on it
Love your life, live on it
Me and my boys going up
So show me some love
I'm turnin' up (ey)
On top of my city
I've rocked that crown
I'm burnin' up, so lit
All the ladies, they love my sound
I earned this cut (wouh)
I know you want in on it
Love your life, live on it
Me and my boys going up (up)
So show me some love I'm turnin' up
I'm turnin' up
I'm turnin' up
Oh uh, oh uh, oh uh
Be careless, be careless
Oh, you like that
You could throw it right back
Yeah, I'm like that
Cut so big they pay me to bring the hype back
I don't wanna start no fight now
I'm just saying, I'm the realest right now, yeah
I set the bar for ya high now
Even gave y'all the head start now, yeah I made my own
Oh honey, damn
I'm sorry girl, I had to leave
Someday I hope you'll understand
(I had to do it what I did) I'm turnin' up
On top of my city
I've rocked that crown
I'm burnin' up, so lit

All the ladies, they love my sound
I earned this cut
I know you want in on it
Love your life, live on it
Me and my boys going up (up, going up)
So show me some love (show me love, show me love, show me love)Uh oh oh
Be careless, be careless
Oh, you like that
Yeah, yeahI'm in the zone
We made that beat
That money grow
I bring it home
Don't kiss my feet
Let my legend be told
Oh, except you never saw us
Pau wrote the beat, B WAW split the bars
Shawty want the beast
I'm the wolf on its paws
Shawty let me feast on her womanly parts
Go and get the car started
Wanna hit the bar
Running with my all-stars
Ballin' like a god
The moment I rap
Everybody raise their cup'Cause I'm turnin' up
On top of my city
I've rocked that crown
I'm burnin' up, so lit
All the ladies, they love my sound
I earned this cut
I know you want in on it
Love your life, live on it
Me and my boys going up
So show me some love
'Cause I'm turning up (up)I'm turnin' up
I'm turnin' up
I'm turnin' up
I'm turnin' up
I'm turnin' up
I'm turnin' up
