No Secrets

The Exies

You've become a cruel part of me, baby
I found my empathy in your abuse
I'm just a special effect to you lately
Am I nothing that's real or true to you?

Don't go,
I thought I'd never tell
But there's somethin' you should know
I've got no secrets
I give myself away
I've got no secrets
And I give my whole existence to you
Get so damaged,
watch me slip away
I get so damaged
'Cause my whole existence
was you, was you, was you

Now I'm lost and I'm wonderin', baby
'Cause I can't find the hope that's within me
And I'm scratchin' my bruises lately
'Cause my sincerity strains my waitin'

Don't go,
I thought I'd never know
But it's somethin' you should do
I've got no secrets
I give myself away
I've got no secrets
And I give my whole existence to you
Get so damaged
watch me slip away
I get so damaged
'Cause my whole existence was you

I've done it again
Will someone tell me what can I do?

I've got no secrets
I give myself away

I've got no secrets
And I give my whole existence to you
Get so damaged,
watch me slip away
I get so damaged
'Cause my whole existence
was you, was you, was you, was you
