Dreamsome

Shelby Lynne

In the dark I can hear you whisper
Shadows still, move across the distanceWhat did you say, it's okay
Did you miss me?
Did you miss me?Make it mine, takin' time, forgotten
Speak for me, silent plea, surrenderWhat did you say, it's okay, oh baby
Did you miss me?
Did you miss me?You know at times I wondered
If you ever thought of me
And I wondered if you wanted to be free
Like me, and I needed to feel you and
I wondered did you miss me baby, oh yeahTurn to gray, bluer shade, when the sun comes
Peaceful time, cease your mind and dreamsomeWhat did you say, it's okay, oh yeah
Did you miss me?
Did you miss me?
Did you miss me?
Did you miss me?Did you miss me?
Did you miss me?
At times I wondered why, did you miss me
Did you miss me?
Did you miss me?Did you miss me?
Did you miss me?
