Save Me

Remy Zero

I feel my wings have broken in your hands
I feel the words unspoken inside
When they pull you under
And I would give you anything you want, no
You were all I wanted and all my dreams are fallin' down
Crawlin' 'round, 'round and 'round
Somebody, save me
Let your warm hands break right through me
Somebody, save me
I don't care how you do it
Just stay, stay, come on
I've been waiting for you
I see the world has folded in your heart
I feel the waves crash down inside
And they pull me under
And I would give you anything you want, no
You were all I wanted and all my dreams have fallen down
Crawlin' 'round, 'round and 'round
Somebody, save me
Let your warm hands break right through me
Somebody, save me
I don't care how you do it
Just stay, stay, come on
I've been waiting for you
Crawlin' 'round, 'round and 'round
Somebody save me
Let your warm hands break right through me
Somebody save me
I don't care how you do it
Just save me, save me
I've made this whole world shine for you
Just save me, save, come on
I'm still waiting for you
