

Simply Deep

[Kelly Rowland](#)

Is anybody home in there?
I unexpectedly dropped by your heart
I simply wanted you to hear
The cry of my love's never ending startImpossible escaping you
And circumstances never stand a chance
So intrigued by the things you doThrough my eyes, I vision you
Your love protects my every move
My life swings to your heartbeat
My everlasting love is simply deepEach second spent is timeless
When I'm with you, time seems to take a rest
No routines ever lay with us
'Cause everything is new, when you're in loveSo delighted that you feel the same
You say with me you're never liable to pain
Never love another againThrough my eyes, I vision you
Your love protects my every move
My life swings to your heartbeat
My everlasting love is simply deepAs I lay here in the midst of ongoing creation
Me as a whole, can only think of you
And you breathe the air that surrounds the every move
I run and I never sleep without endless dreams
Of love so simply deep between you and meThrough my eyes, I vision you
Your love protects my every move
My life swings to your heartbeat
My everlasting love is simply deepThrough my eyes, I vision you
Your love protects my every move
My life swings to your heartbeat
My everlasting love is simply deep
