Spoken:
I need time (time)
Love (love)
Joy (joy)
I need space
I need me(Action!)Say hello to the girl that I am!
You're gonna have to see through my perspective
I need to make mistakes just to learn who I am
And I don't wanna be so damn protected
There must be another way
Cause I believe in taking chances
But who am I to say
What a girl is to do
God, I need some answersWhat am I to do with my life
(You will find out don't worry)
How Am I supposed to know what's right?
(You just got to do it your way)
I can't help the way I feel
But my life has been so overprotectedI tell 'em what I like
What I won't
What I don't
But every time I do I stand corrected
Things that I've known
I can't believe what I hear about the world, I realize
I'm OverprotectedThere must be another way
Cause I believe in taking chances
But who am I to say
What a girl is to do
God I need some answersWhat am I to do with my life
(You will find out don't worry)
How Am I supposed to know what's right?
(You just got to do it your way)
I can't help the way I feel
But my life has been so overprotectedI need time (love)
I need space
(This is it, this is it)I don't need nobody
Tellin me just what I wanna
What I what what I'm gonna
Do about my destiny

I Say No, No
Nobody tell me just what what what I wanna do, do
I'm so fed up with people telling me to be
Someone else but me(Action!)What am I to do with my life
(You will find out don't worry)
How Am I supposed to know what's right?
(You just got to do it your way)
I can't help the way I feel
But my life has been so overprotectedI don't need nobody
Tellin me just what I wanna
What I what what I'm gonna
Do about my destiny
I Say No, No
Ain't nobody tell me just what I wanna do, do
I'm so fed up with people telling me to be
Someone else but meWhat am I to do with my life
(You will find out don't worry)
How Am I supposed to know what's right?
(You just got to do it your way)
I can't help the way I feel
But my life has been so overprotected.
