Spoken:  
I need time (time)  
Love (love)  
Joy (joy)  
I need space  
I need me(Action!)Say hello to the girl that I am!  
You're gonna have to see through my perspective  
I need to make mistakes just to learn who I am  
And I don't wanna be so damn protected  
There must be another way  
Cause I believe in taking chances  
But who am I to say  
What a girl is to do  
God, I need some answersWhat am I to do with my life  
(You will find out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotectedI tell 'em what I like  
What I won't  
What I don't  
But every time I do I stand corrected  
Things that I've known  
I can't believe what I hear about the world, I realize  
I'm OverprotectedThere must be another way  
Cause I believe in taking chances  
But who am I to say  
What a girl is to do  
God I need some answersWhat am I to do with my life  
(You will find out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotectedI need time (love)  
I need space  
(This is it, this is it)I don't need nobody  
Tellin me just what I wanna  
What I what what I'm gonna  
Do about my destiny

I Say No, No  
Nobody tell me just what what what I wanna do, do  
I'm so fed up with people telling me to be  
Someone else but me(Action!)What am I to do with my life  
(You will find out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotectedI don't need nobody  
Tellin me just what I wanna  
What I what what I'm gonna  
Do about my destiny  
I Say No, No  
Ain't nobody tell me just what I wanna do, do  
I'm so fed up with people telling me to be  
Someone else but meWhat am I to do with my life  
(You will find out don't worry)  
How Am I supposed to know what's right?  
(You just got to do it your way)  
I can't help the way I feel  
But my life has been so overprotected.
