

Ladies Night

Atomic Kitten

Ooh, oh yeah yeah
Oh what a night
It's ladies night This is your night tonight
Everything is gonna be alright
This is your night tonight, come on, girls Girls, we've all got one
A night that's special everywhere
(Everywhere) From New York to Hollywood
It's ladies night and girl
The feeling's good Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright Romantic lady, ooh, oh yeah, single baby
Sophisticated mama
Come on you disco, baby, yeah, yeah
Stay with me tonight If you hear any noise
It ain't the boys, it's ladies night
Come on, girls Gonna step out ladies night
Steppin' out ladies night
Gonna step out ladies night
Steppin' out ladies night Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night Oh yes, it's ladies night
And the feeling's right
Oh yes, it's ladies night
Oh, what a night, oh, what a night On disco lights your name will be seen
You can fulfill all your dreams
Party here, party there, everywhere
This is our night, ladies, you got to be there This is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright This is your night tonight
Everything is gonna be alright

This is your night tonight
Everything is gonna be alrightThis is your night tonight
Everything is gonna be alright
This is your night tonight
Everything is gonna be alright
