

# Virginia

## Moor Hound

Virginia has a dog named Walter  
Four states away  
Six years in the futureWhat can I do  
But think of you?  
And every soul that gave me time  
And thought of me tooVirginia sing a song for me  
When you get the courage  
To come down from that treeWhat can I do  
But sing to you?  
And every soul that sang to me too
