

Delta Lady (Remastered 95)

Leon Russell

Woman of the country
Now, I found you
Longing in your soft
And fertile deltaAnd I whisper sighs
To satisfy your longing
For the warm and tender
Shelter of my bodyOh, you're mine delta lady
Your mine, be all mine
Delta ladyPlease don't ask
How many times I found you
Standing wet
And naked in the gardenAnd I think of the days
And the different ways I held you
I held you closely to me
Yes, our heart was beatingOh, you're mine delta lady
You're mine, be all mine
Delta ladyWhen I'm home again in England
And I'm thinking of you love
Because, I love you
Yes, I do, I love youThere are concrete
Mountains in the city
And pretty city women
Live inside themAnd yet it seems
The city scene is lacking
I'm so glad you're waiting
For me in the countryOh, you're mine delta lady
Darling, you're mine, be all mine
Delta lady[Incomprehensible]Oh, you're mine delta lady
Darling, you're mine, be all mine
Delta lady[Incomprehensible]
