If the Lovin' Ain't Good

Jade

If the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedBaby, listen to what I say
These type of things that we go through happen everyday
Don't be ashamed, it's just how I feel
'Cause makin' love should feel right but why am I never satisfied?Don't take it personal, just wanna be true to you
'Cause I never felt so deep in love like I feel for you
Just take your time with me, fulfill my fantasy
So many things we can explore, baby love me more, noIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedListen up, [Incomprehensible]
Give me everything you can give
Just use your mind, spend a little time
So all I want from you is to feel satisfied
Come on, babyIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedAin't nothing to it but to do it
Rub my body, rub my body, body, oh yeah
That feels good, take your time, do it right
'Cause baby if the lovin' ain't goodIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedIf the love ain't good tonight
I won't feel satisfied
You've got to make the right moves
So I won't feel like I'm being usedIf the love ain't good tonight

I won't feel satisfied
