Angels Of Mercy

Badlees

(Alexander/Badlees)(Chorus)
There must be angels of mercy
Lookin' down on me
'Cause when I look up to the sky
I swear I see
Angels of mercy lookin' down on meWell, I know what I know
And you know what you know too
And I know that you know
Exactly what I think of you
And if I were you and you were me
I wouldn't blame you for not liking me
Even though we aren't enemies(Chorus)Time can have a way of changin'
Everything you think is right
And time can have a way of takin'
Everything you hold too tight
So you search for explanations
And you find some now and then
While the angels
They're gettin' impatient
With your experiments(Chorus)I believe there's a power of healing
That comes with experience
I believe in believing your feelings
Even when they make no sense
But I believe that the way I'm going
I'm gonna end up too soon dead
Well, when asked to give my reasons
This is what I saidI might have used my education
If I gave a shit
I might have spoke for my generation
If I agreed with it
Now some say that I've gone crazy
But I ain't gone nowhere
Some say I'm apathetic man,
But I don't careI admit that I'm a loser
I admit that I am scum
I admit I like cheap beer and women
As much as anyone
I don't worry about the future
Who knows what that will bring

I just wait and see what happens
And pretend I planned the whole thing
So let's see what tomorrow brings(Chorus 2x)
